

Jesus Child is Born

1

Jesus, Son of Man,
child of heav'n above,
safe in Mary's arms:
bountiful spring of love.
Deep in the darkest night,
see! the starry cross shines bright on His name.
Jesus, child of light,
born on this holy night.

2

Dark was Bethlehem;
kept their watch.
In His mother's arms
snuggled the tiny child;
God's angels thronged around,
pointed to the stable lit by the star.
Jesus, child of light,
born on this holy night.

3

Choirs of angels sing
wondrous songs of love:
In His mother's arms
snugly our Saviour rests;
He bodes eternity,
paradise and peace He promises us.
Jesus, child of light,
born on this holy night.
